E. Required Assurances

1. Select the following checkboxes to indicate your compliance with the required assurances.

- The LEA assures that although funds may be used for one-time or ongoing purposes, the LEA understands the use of the funds for ongoing purposes could result in funding deficits in future years after the funding expires on September 30, 2024. The LEA assures it makes no assumption that the state will provide replacement state funds in future years, and that this fact will be raised and explicitly discussed in a meeting of its governing board.
- The LEA assures that it engaged in meaningful consultation with stakeholders and gave the public an opportunity to provide input in the development of its plan for the uses of ARP ESSER III funds.
- The LEA assures that it specifically, engaged in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff.
- The LEA assures that it specifically, engaged in meaningful consultation with, and to the extent present in or served by the LEA tribes, civil rights organizations (including disability rights organizations).
- The LEA assures that it engaged in meaningful consultation with stakeholders representing the interests of children with disabilities, English language learners, children experiencing homelessness, children in foster care, migrant students, children who are incarcerated, and other underserved students.
- The LEA assures that its plan for the uses of ARP ESSER III funds is provided in an understandable and uniform format.
- The LEA assures, to the extent practicable, the plan is written in a language that parents can understand or, if not practicable, orally translated; and, upon request by a parent who is an individual with a disability, provided in an alternative format accessible to that parent.
- The LEA assures that the program schedules to this application, or a separate document containing all the information included in the program schedules, serving as the LEA's plan for the uses of ARP ESSER III funds will be posted to the LEA's website within 30 days of receiving its ESSER III Notice of Grant Award.

Program Description PS3014 - Program Narrative

A. Pre-Award

Directions: Enter "No" if no activity is marked as pre-award in Sections A and B in PS3013. You must enter an amount if any activity is marked as pre-award in Sections A and B in PS3013. The combination of an activity marked as pre-award in Sections A and B in PS3013 and an amount entered below will constitute the required prior approval process for pre-award costs.

1. Enter the total dollar amount of ESSER III funds to be charged as pre-award costs for the activities indicated in Sections A and B in PS3013 as occurring during pre-award (March 13, 2020, through the application submission date).

NO
no prior approval form submitted for HVAC repairs/replacement/renovations/upgrades

B. Minimum Required Set-Aside

Directions: You must enter an amount that is at least 20% of your total budget. You will be required to report this set-aside by activity and student group in future reporting.

1. Enter the total dollar amount of ESSER III funds to be expended to meet the 20% minimum required set-aside for learning loss mitigation, including through afterschool, summer school, extended day/year programs, targeted to students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

\$105,000 will be set aside to operate the JMA after school remediation program.

2. Briefly describe the activities selected in PS3013 questions A16, A17, B1, B2, and/or B3. A response in at least one of these PS3013 questions is required.

The LEA will implement a comprehensive after school program to assist with learning loss among students including students from low income backgrounds, SWD, English language learners, racial and ethnic minorities, homeless, & foster care children. This program will be implemented on the JMA campus after school hours for a minimum of 2 daily, M-F. Students will be given comprehensive remediation and tutoring in targeted academic areas of reading, math, science and social studies grades k-8 with evidenced based instructional strategies/ materials. The after school program will include a program facilitator, academic tutors and certified teachers to assist with student remediation. The goals of the after school program will be to assist at narrowing the achievement gap with students grades K-8 in all core subject areas as well as improve positive behavior and promote on campus school attendance. The after school program facilitator will work with school administrators and classroom teachers at assisting with ongoing student assessments and progress monitoring of student achievement. Additionally the afterschool program will support family engagement and communication with on campus learning activities and online student learning activities. Social distancing and protocols to keep students and staff safe will in place with the program. The LEA will provide extra sanitizing protocols/guidelines, sanitizing stations, and extra cleaning to ensure the healthiest learning spaces.

3. Briefly describe the activities selected in PS3013 questions A6, A13, A15, A17, B1, B2, and/or B3. A response in at least one of these PS3013 questions is required.

The LEA will provide additional learning supports to students from low income backgrounds, SWD, English language learners, racial and ethnic minorities, homeless, & foster care children within the regular on campus classroom instruction as well as additional online support during the event of long term closures. The additional support for on campus learning/ closures will be provided by issuing all students K-12 grades an individual electronic learning devices that they will use during classroom instruction, after school remediation or use at home during long term school closures. These devices will support digital evidence based instructional strategies and electronic programs that meet the learning needs of each student. Additionally to assist with learning loss the LEA will also employ additional instructional paraprofessionals to support in class learning with at risk students and support evidence based programs and activities being used in the classroom by the certified teacher. It is also the intent of the LEA administration to request classroom teachers to remediate student learning loss by providing extra remediation before school or during the after school program with provided "extra duty" pay. The LEA will support student families by offering families information on Internet connectivity, information on "at home learning" and provide the families with a digital support liaison employed by the district to assist with digital learning framework challenges.
